#### OPEN FORUM

There was an open forum of 15 minutes at the beginning of the meeting to allow members of the public to ask questions or make comment regarding the work of the Council or other items which affect the Parish. The following matters arose:

- Brown Bin collection – no collections have taken place in Bantham & West Buckland. It is thought they are on a different round from Thurlestone because of the narrow roads. Cllr Pearce will follow this up.
- Bantham Shoot may be proceeding but no confirmation has yet been received. The Parish Council were asked to follow up on previous communications. It was noted that it is not the place of the Parish Council to get involved, however, as Bantham Estate have advised they will keep the council updated, a communication will be sent.
- As with previous years, will the council continue to financially support the flowers and associated expenses for the area at the top of Court Park Road? It was confirmed that this has been budgeted for.
- Re the Thurlestone Phone Box, there is a potential planting area to the side of approximately two square meters, would the council financially support this? Providing the Phone Box Committee approve the planting the council will support the venture from budgeted funds.
- A query was raised in respect of fibre broadband installation and the properties/estates that are included. Cllr Gilbert has provided a written response to this in his report see minute reference 40 County Council Report.
- Thanks were given to the time and effort put in over the years by the four resigning councillors.

Cllr Rhymes: With four councillors having stood down there is a lot of knowledge leaving the room. I have enjoyed it, it has been a privilege and an honour to represent the parish and to serve the community that I love – we've not always agreed, we've all had cross words at some time but we've always been able to talk it out and this has been democracy at it's best.

The council, and the role of the council, has changed enormously, there is too much being devolved to local councils in the name of progress – are we sure this is what progress looks like?

Kit Marshall has given twenty years of service, he's been an outstanding vice chairman, he's given a lot to the parish and an awful lot to me and I'm grateful for all his support.

Charlie Mitchelmore, the village oracle, tree warden, local historian, if Charlie didn't know the answer, he'd go out of his way to find out. He's given many hours, and if it weren't for the time and effort he's given this would be a very different place.

Nigel Hurrell has given eleven years to the council, he's lived here all his life and his knowledge is irreplaceable. Nigel is a do-er, always ready to give a hand when work needs to be done.

Helen Nathanson, our previous Clerk was absolutely top class and deserves to be mentioned, you're now in safe hands with Kathy.

Thanks also to Rufus Gilbert and Judy Pearce for their time and dedication.

## 38 Planning & Enforcement

### a) LIST OF APPLICATIONS RECEIVED/FOR DISCUSSION:

1. 1116/22/HHO, 6 Meadfoot, Thurlestone, Enlargement of patio/deck area (19/5). **TPC Support**  
Thurlestone Parish Council supports this application. Councillors considered that the proposed development will not impact on the residential amenity of neighbouring properties (NP Policy TP1.1); that the enlarged patio/deck, with glass balustrade, and the building materials (natural stone and horizontal weather boarding) were appropriate (NP Policy TP1.2); that the replacement bi-folds would make a negligible difference to the light spill (NP Policy TP1.4) and that there will be a neutral impact on the AONB/natural environment, as it is a small-scale proposal and well within the built-up area (NP Policy TP1.5). They did, however, request that the ground below the decking is permeable to slow down any water run-off.

2. 1100/22/HHO, Byeways, Warren Rd, Thurlestone, Proposed replacement garage & store (26/5). **TPC Object**  
Thurlestone Parish Council objects to this application. Councillors considered that the proposed replacement garage and store is excessive, the footprint being almost half that of the approved dwelling (3413//19/HHO) and the ridge height of the garage being substantially higher than the eaves of the approved dwelling. They felt that the proposed development would have a dominant and overbearing impact on neighbouring amenity, did not relate well in scale and proportion to the approved dwelling and was not in keeping with the street scene (contrary to NP Policies TP1.1 and TP1.2 ).

Councillors also wish to draw the planning officer's attention to drawing no 2207-04 which is incorrect in two respects: (1) there are two East elevations shown – one of which has been mis-labelled and relates to the North elevation (on Warren Road), and (2) the windows shown on the South elevation of the approved dwelling are contrary to the approved scheme (3413//19/HHO, drawing no 1809-10B).

3. 1017/22/HHO, 24 Court Park, Thurlestone, demolition of deck area and existing garage, erection of new two-storey rear extension and extended deck area with double garage and accommodation below, new side entrance, resubmission of 2346/21/HHO (19/5). **TPC Site Visit Required.**
4. 1338/22/HHO, Worthy, Bantham, Restoration & refurbishment of farmhouse (9/6). **TPC Support**  
Thurlestone Parish Council supports this application. Councillors welcomed the restoration and refurbishment of the Grade II Listed Building as the building is of historic interest and in need of renovation. They considered the proposed development will not impact on the residential amenity of neighbouring properties (NP Policy TP1.1); that the style, scale and character are appropriate and proportionate in the location (NP Policy TP1.2), and will have a neutral impact on the South Devon AONB (NP Policies TP1.4, TP1.5 and TP.22.1); and that appropriate expertise has been used to ensure that the historic fabric of the building has been sympathetically restored (NP Policy TP1.6).
5. 1339/22/LBC, Worthy, Bantham, Restoration & refurbishment of farmhouse (9/6). **TPC Support**  
Thurlestone Parish Council supports this application. Councillors welcomed the restoration and refurbishment of the Grade II Listed Building as the building is of historic interest and in need of renovation.
6. 1357/22/TCA, All Saints Church, Application to fell two diseased Corsican Pine trees. **TPC Support.**

**b) DECISIONS:**

1. 0580/22/CLE, Higher Aunemouth Farm, Bantham, Certificate of Lawfulness for existing use (18/4). **Certified**
2. 0316/22/HHO, 1 Lambs Close, Thurlestone, Replacement rear single storey extension. **SHDC Conditional Approval**
3. 0446/22/FUL, Thurlestone Golf Club, Re-roofing flat roof areas (7/4). **SHDC Conditional Approval**
4. 0192/22/HHO, The Pillars, Eddystone Road, ground & lower floor extension (5/5). **Withdrawn**
5. 0257/22/VAR, Units 1 & 2Whimbrels Edge, TQ7 3LE. **SHDC No Decision Yet**
6. 0467/22/VAR, 18 Meadcombe Rd, Thurlestone. **SHDC Conditional Approval**
7. 4301/21/HHO, Appledore, Island View, Thurlestone. **SHDC No Decision Yet**

#### **40. To receive reports from County and District Councillors and to ask any questions arising:**

##### **DEVON COUNTY COUNCIL REPORT:**

Cllr Rufus Gilbert, Email: [Rufus.Gilbert@devon.gov.uk](mailto:Rufus.Gilbert@devon.gov.uk)

##### **THURLESTONE BROADBAND.**

Phase 1: This was fibre to the BT cabinet which was initiated politically many years ago and a great success for many hundreds of thousands of properties. If this had not been rolled out, you would probably still be awaiting superfast broadband in The Mead.

Phase 2: This is fibre to the premises which came about, because the funding for Phase 1 was never going to be sufficient to reach all properties in the region - Phase 2 addresses those properties that weren't connected under Phase 1 - many of which are some of the hardest to reach.

State Aid clearance for all contracts under the national Superfast Programme prohibit any subsidy for properties that are already in receipt of superfast (30Mbs or more). This is a national policy and as such Thurlestone is no exception.

So, if under phase 1 you are getting 30mbs or more, you cannot be connected under phase 2 contract - though Airband are at liberty to connect you at their own cost.

Since the Mead achieves up to 80 mbs courtesy of Phase 1 it CAN'T be connected in CDS Phase 2 contracts. I at home get 31 mbs downstream which is more than adequate for work and streaming movies etc.

Buckland: The same applies and quite a lot were connected in phase 1.

##### **UKRANIAN GUESTS**

- 1) 1,048 guests to sponsors in Devon, over half of those now have a visa
- 2) 142 have already arrived guests have already arrived.
- 3) There are 435 sponsors in total.
- 4) 422 DBS disclosure barring checks have been conducted – out of those 11 have been rejected.
- 5) 70% of sponsors homes have been checked.
- 6) £350 per calendar month is given to sponsors, guests receive £200 per person per calendar month.
- 7) 400 Hong Kong nationals also in Exeter to be housed
- 8) Various other refugees also need to be housed in the county.

Email Cllr Mark Long: [cllr.mark.long@southhams.gov.uk](mailto:cllr.mark.long@southhams.gov.uk)

- a. Electoral services: An overview was given regarding the vacancies at Thurlestone Parish Council. The first two vacancies will go to election. We await advice from South Hams District Council on 16<sup>th</sup> May to determine if the second two vacancies will go to election or if these will be co-opted.
- If all vacancies are to be determined via an election the notice of election will be published and nominations will have to be submitted by a given date. Until the nominations are received it will not be known if there are more nominations than vacancies. If there are more nominations than vacancies, the election will take place. However, if there are less nominations than vacancies those nominees will automatically receive a seat on the council.
- If South Hams District Council do not receive the required number of election requests in respect of the second two vacancies, these will go to co-option at the June meeting.
- It should be noted, if an election is to take place, the Parish Council will be invoiced for all costs, this will have a negative impact on the expenditure budgeted for the year as the costs will have to be paid from the precept.
- b. Homes for Ukraine: SHDC have been undertaking accommodation checks, there are 52 properties in the South Hams that have been matched with guests to date, 23 guests (residing over 10 properties) having already arrived. Monies are available to the guests, this is being dealt with by the District Council team. Some fall-back placements are also being arranged in the event that there is a breakdown of relationship between the guests and their hosts. SHDC are only dealing with premises inspections prior to guests arriving. A dedicated email address is being given to all guests and property owners. If any local hosts have any problems, please contact either Cllrs Pearce or Long directly.
- c. 9,000 Council Tax rebates of £150 have already been paid out to those living in Band A-E properties. 75% of people pay by direct debit, for those who do not pay via direct debit please contact SHDC and complete their form to enable the £150 payment to be processed. Please be aware that scam calls have been made to try and obtain personal details, SHDC would never contact any parishioners to request bank or personal details. If you receive such a call, please do not provide any information.
- d. Garden waste service (brown bins) have not all been collected as anticipated, this is largely due to staff illness and a reliance on agency staff. If you need to check when your next collection is, please see the South Hams District Council website. Simply enter your postcode to find your next collection day. As before, your brown bin will be picked up on alternate weeks to your black bin. If bins are not collected, please report it online directly to South Hams District Council.
- If boxes are damaged/missing/lost it should be reported online to enable a replacement to be provided.
- e. UK Shared Prosperity Fund: SHDC have been awarded £1.06m, with the county as a whole receiving in the region of £10m. Monies will be spent jointly on projects to ensure more value for money. Plans for expenditure will be submitted by 1<sup>st</sup> August, projects approved will be funded over a three-year period. The funding received
