Safety in Mind

At the back of the hall there are two doors leading to a large equipment store room. Much of this equipment is heavy and has to be treated with care and safety in mind when taken out or put back in to the store room. It is imperative that children under the age of 16 do not enter this room. The hall committee cannot be held responsible for any injuries that may be incurred.

Licences

The Hall is licensed until 11.30 pm. for music, singing, dancing and drama but it is a requirement of hire that the hirer familiarises him/herself with the conditions of hire stated on the public entertainment licence on display in the Hall.

If the hirer wishes to sell alcohol on the Hall premises, he/she must apply in advance for an occasional licence from the District Licensing Officer.

The Hall Committee also hold a Performing Rights Society licence for the public performance of copyright music and plays but it is the responsibility of the hirer to comply with any other necessary licensing appropriate for the activity for which the Hall has been hired and to make arrangements for such licences to be issued such as:

- a Phonographic licence is needed if you intend to use sound recordings in public
- a Cinematographic licence is required for a public showing of a film or video
- a Gaming or Lotteries Act licence may be required appropriate royalties may be payable for the performance of plays or musicals.

Code of Practice

This Parish Hall is an important part of our community. It provides a great facility for meeting, socialising, hold events, make friends and get fit.

It's run by volunteers and it sits in the heart of our community. The Parish Hall volunteers work hard to maintain good relations with its surrounding neighbours. We want you to enjoy these facilities to the full but also to respect surrounding neighbours by our simple code of practice.

Events with amplified music by groups and discos we ask you to make efforts to minimise projecting noise, especially attention to sensible base levels of music.

Please remember this is a residential area and not everybody is partying around you.

The Parish Hall has full air conditioning so please try to keep the hall windows and fire doors shut to stop noise projection if at all possible. We understand there are times when it is hot, this can be difficult.

At the end of your event and if it's late, please leave quietly.
