Q6 Part 2 - Please let us
know of any comments
about the Parish Hall

Very good
value to hire

Very nice village hall

We would like to thank all
the people involved in
giving us this facility and
for arranging the social
events

Excellent –
very well run.
Thank you for all
you do

the hall offers a good
range of activities.

generally happy with
everything

I love the
parish hall!

Well kept,
good acoustics

More information on events held

Bigger kitchen required

The technical side is often too complicated and difficult to get help when needed e.g. no heating

The hall is drastically underused. Such a lovely hall, so sad so few village events.

Attract more visitors from outside our immediate area

The hall would be more appealing if it was less cold and stark. Make the room more welcoming

Would like the interior to reflect the social activities ie comfortable seating to encourage a more intimate friendly atmosphere. Perhaps using round tables, comfortable chairs, Sofas, low tables.

More information of activities to be reported in the village voice (excellent Mag)

Its
potentially a great
performance space
for small scale
theatre

Need to have more
evening activities
which whole of
village can attend

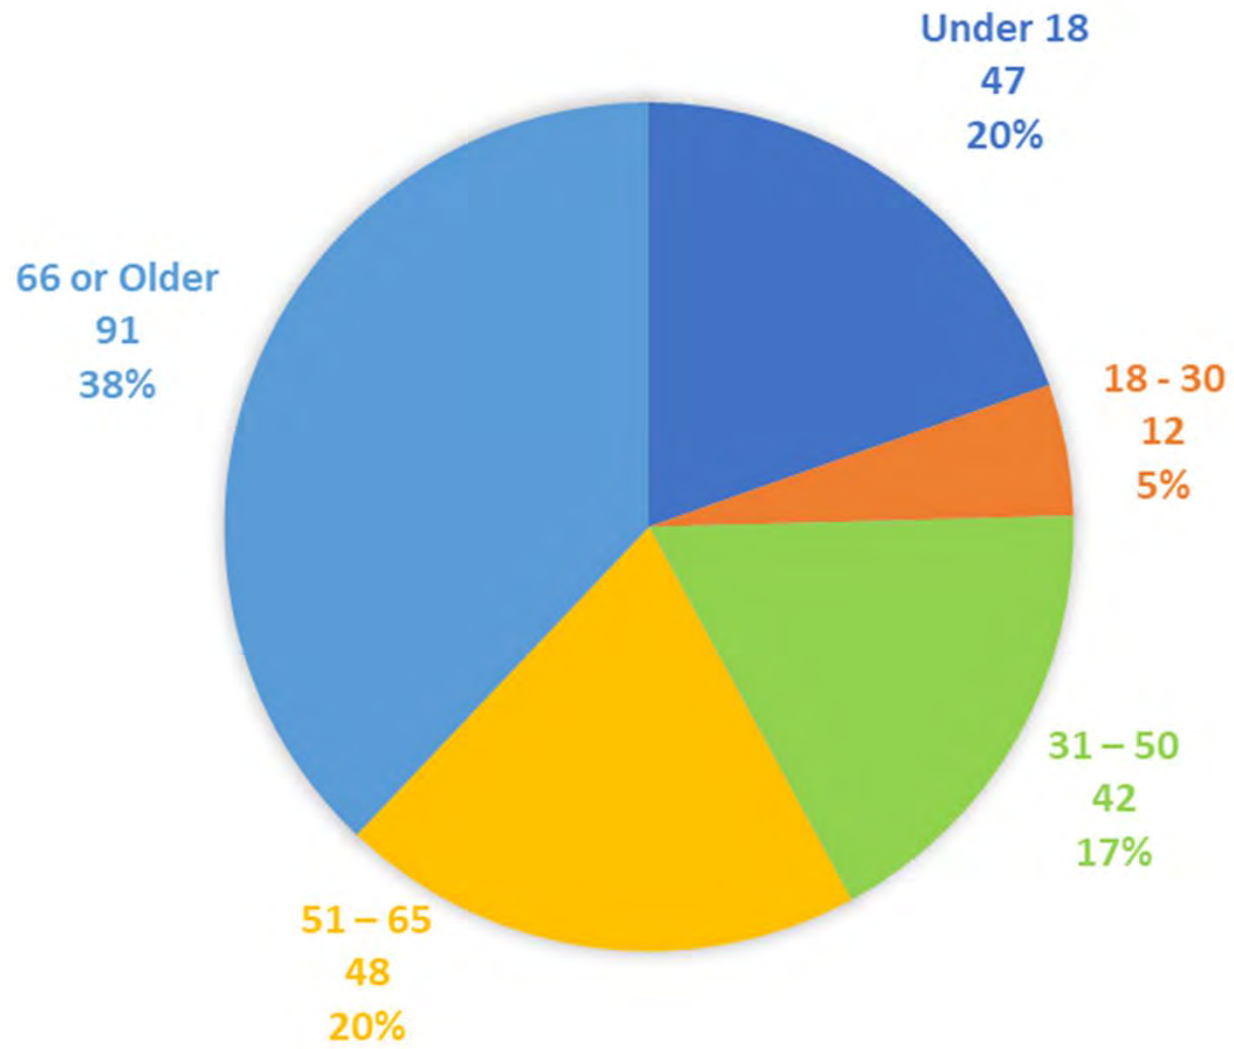

activity for less
mobile people

It has so much equipment so could
easily run after school clubs say or
pass on skills to the youth of the
village. Are there any jobs the
youth of the village could do to
help for a little pocket money.

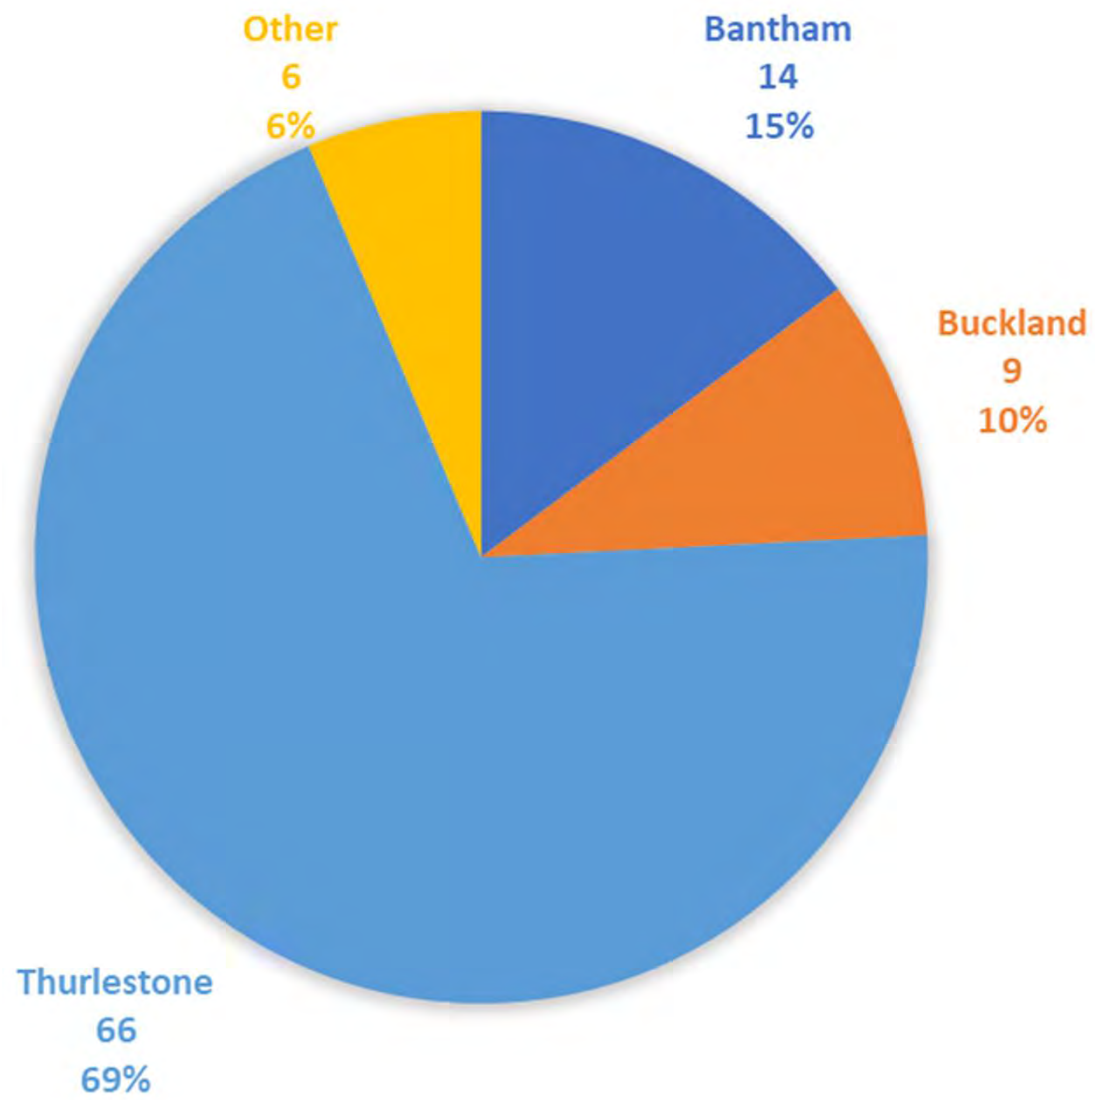

Potentially more
children's activities, the current variety
seems quite good for adults. I love the
exercise options available locally. Its
important for those less mobile in the area
to have activities that help them remain part
of the community and to see people
frequently

Let children/families bring their
radio-controlled cars/drones on
wet days or have entertainment of
some sort for children

Q7 - To put your answers into context we need to know a little about you/your family

Q8 - Which Village do
you live in?

Q9 - How long have you
lived in Bantham, Buckland
or Thurlestone?
